Presidents Report

Hello to All Members

Since my last report there has been very little change or note-worthy news to mention. The only minor change is that we have secured a Skype session with Peter Burns which will be on Solar Transits. This will be viewed on Sunday 4th August at 2:00pm, normal meeting at South Perth learning centre. Jeannette's planned talk on the Medieval Humours will be postponed until next year.

Fortunately we have Jeannette talking on the Twelve Tribes in March. By the time you read this newsletter the talk will be over. I am very excited about the new material Jeannette is presenting and get a feeling it will be one of her finest. I have looked at the chart for her talk and Uranus, the planet of astrology, is on the Midheaven and Mars is moving from Taurus into Gemini just as she starts speaking. We can get a glimpse of the power (Mars) of words (Gemini).

Also Mercury after being retrograde has gone direct and is conjunct Neptune for the third time in the past six weeks. This is synchronous with the magic and artistry of numbers, which is a basic theme of Jeannette's talk.

I hope to catch up with all soon. Blessings and best wishes.

Jeff Farrow, President.

OUR NEXT EVENT.....

SUNDAY

12 May 2019

2pm—4pm

at the South Perth Learning Centre

Karmic Astrologer Rick Boyd presents a very different view on astrology by famous American clairvoyant Edgar Cayce, known as the Sleeping Prophet and the Father of Holistic Medicine.

In a sleeping trance state, Cayce gave over 18,000 readings on a range of esoteric subjects, including health, reincarnation, Atlantis; and more than 1500 on astrology. However, you will find that the astrological perspectives given to Cayce in trance were quite unusual.

Cayce considered that a person's current life purpose was explained by the "sojourns" or past lives spent at differing dimensional vibrations represented by the planets in their horoscope.

Rick will explain what planetary energies in your horoscope mean for your current life according to Cayce's teachings, along with other astrological revelations given to Cayce in trance such as the birth chart of Jesus Christ.
